This is a game for **TWO TO FOUR** players. **CUT OUT** the counters, the food tokens, and the die from the inside back cover. **GLUE** them to card stock and **TRIM** to fit. **ASSEMBLE** the die and **GIVE** each player six food tokens.

TAKE turns rolling the die and moving the number of spaces shown. When you land on a square with a picture of a townspeople, **PLACE** one food token on the square. The player who has the fewest food tokens at the end of the game is the winner. The game ends when any player reaches the finish.

Elsa's Touch

Even as a child, Elsa had strong powers. She created amazing snow scenes inside the castle for her and Anna to play in. The sisters are remembering those precious moments together.

TREASURED MEMORIES

Anna and Elsa are remembering the details of their happy memory. **CUT OUT** the strips from the inside back cover and **STICK** them in the correct places to complete the scene. Watch out for any intruders!

Spot the Unicorn!

Our friends are on an adventure to spot a unicorn.
Much to Olaf's delight, he's already found two... or nearly so!

MAGICAL CREATURES

Elsa has used her magic to give Sven an ice horn, and even the Water Nokk looks like a unicorn next to that tree! **SPOT** ten differences between the two pictures.

Troll Magic

The Valley of the Living Rock is a magical place where Kristoff and Suen grew up, looked after by the trolls.

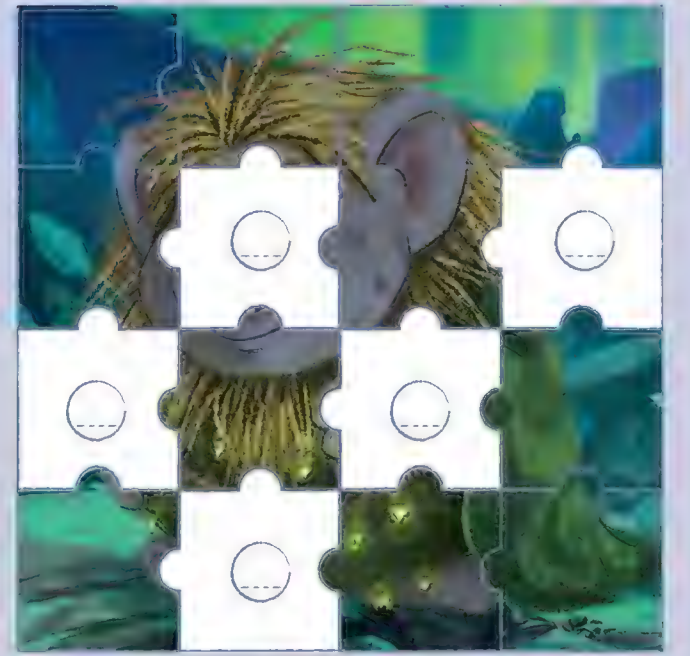

TO TROLL VALLEY

FOLLOW the arrows in the key to help Anna, Kristoff, Suen, and Olaf find their way to the trolls' valley. Each time you pass a friend, **WRITE** a number in the circle next to them according to the order in which you passed them.

TROLL LEADER

Grand Pabbie is the leader of the trolls, and he has strong magical powers. He healed Anna when she was a girl after she was accidentally struck by Elsa's ice magic. **COMPLETE** his picture by **WRITING** the letters of the puzzle pieces in the blank circles of the correct spaces.

A WARM WELCOME

Little Rock is happy to see his friends! **COLOR** him using lots of little dots, a technique known as pointillism.

Magical Moments

When Elsa took Olaf on an adventure to find a unicorn, they might not have found one on the land, but they certainly found one in the water—a narwhal! It's the unicorn of the sea!

SEA MAGIC

FIND the small details below in the big picture. **CHECK** a circle each time you spot one. Watch out for any intruders!

WONDERFUL CREATURES

Olaf and Elsa have been spotting many lovely creatures as they've explored the forest. Observe the sequences below: which creature comes next in each row? **WRITE** the letter of the animal in the white circle.

A Mythical Team

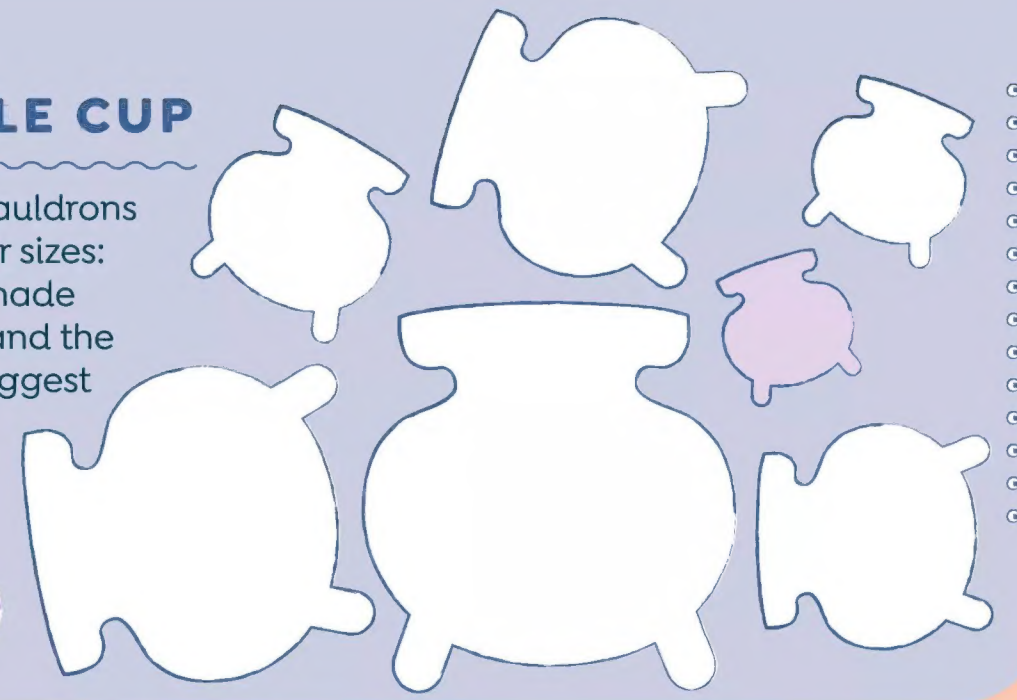

Elsa, Gale, Bruni, and the Water Nokk are working together to prepare a special tea for the Earth Giant. He's not been able to sleep, so they are hoping the tea will help him.

HEAT IT UP!

COLOR IN Bruni's fire trail under the cauldron. The tea needs to be nice and warm!

A SUITABLE CUP

COLOR IN the cauldrons according to their sizes: use the lightest shade for the smallest, and the darkest for the biggest cauldron.

THE MISSING INGREDIENT

Elsa needs to collect one more leaf for her magic tea recipe. **DRAW** it in the empty grid according to the reference above.
